## Colophon

"A World of Our Own" was the theme chosen by this year's staff, expressing the special feeling Ashley-ites have for our small, close-knit school community. This year's staff: Kari Bearden, Brandon Beck, Katie Beck, Rachel Billings, Annette Cermak, Jill Cermak, Kari Deming (yearbook editor), Jesse Diffin (photography editor), Vicki Gilbert, Lyndsay Goward, Aaron Grollimund, James Polash, Casondra Richmond, Aaron Schulz, Joe Shaw, Tara Thompson, Amy Walter, and Patrick Yelsik (budget manager) plus their advisor Mrs. Suzanne Baker, worked hard to produce a quality yearbook which expressed this statement.

Volume 76 *Bear Tracks* was published by Josten's Yearbook Division in Clarksville, Tennessee. Thanks go out to Mike Lafferty, who has served as our Josten's representative and great supporter, and to Mr. Chuck Pri-kasky, Ashley Bears enthusiast who has generously provided us access to the wonderful sports photos he shoots throughout the year.. IBM computers were used with Windows 98 and the Microsoft Publisher program. Antique Olive was the font for our copy, excluding headlines, the senior section and specialty sidebars. Stories were in 10 point and captions in 8 point.

Professional photography services were provided by Geskus Photography located in Grand Rapids, Michigan. Film was developed at Ric's Market in Ithaca, Michigan and Wal-Mart in Alma, Michigan. One hundred and twenty-five copies were published and sold at \$25 each.
