GOSSIP SESSION
Could they be talking about a budding relationship between *Rebeca Long* and *Ronald Boucher* who are sitting in the back of the bus? (Just Kidding) What they are really doing is planning a strategy to win the Quiz Team competition they are going to.

What makes Quiz Team such a fun organization, one that has everybody signing up to join? Is it the all-you-can-eat free food, or the chance that you might meet a cute guy or girl from another school?

Quiz Team member, *Rachael Lund*, commented, "It's fun to play on Quiz Team and if you miss a practice you won't get yelled at." *Joe Shaw*, another Quiz Team member, saw things a little differently, "I think Quiz Team would be better if we made a trip to the Chinese Buffet once a year." Besides getting out of school early,

For instance, this year they made it to the TV show *Quiz-Busters*. "I was excited about our first competition and I feel we learned what competition is all about," stated Quiz Team advisor, *Mrs. Karen Martinez*. Although they lost to *Fulton*, the Quiz Team members still had fun. "They didn't get enough shots of me on TV, but I still enjoyed it anyway," commented *Tyler Reynolds*.

In All, Quiz Team isn't just about going to meets and answering questions. As the comments of the team members indicate, they also had a lot of fun and created lasting memories.
