

ATTITUDE

SHOW US WHAT YOU GOT *Mike Bates* shows off his biceps to all the ladies out in the audience during Freedom Impaired Day

Attitude, attitude, attitude is the word that constantly went through all thirty-five freshmen's heads as they competed against the other classes during the Twirp Week relays.

"I know that during the volleyball tournament against the sophomores I kept on thinking to myself, Keep your cool, it's only a game. I must keep a positive attitude," stated *Carrie Long*. "And even though we didn't win first place, I still had fun."

Although the freshmen placed third during Twirp Week, they competed against the other classes with their heads held high, a smile on their faces and a positive attitude.
