

“I feel that although our record may not show it, we had a great season, for having six girls most of the season and playing one game with five girls when we played Mt. Pleasant Sacred Heart. We did good,” stated *Samantha Phillips*.

This year the Lady Bears had a difficult season because of low numbers and a failure to commit to their practice time. With a team roster of only six players, both of these factors con-

tributed to their disappointing season.

Although the ladies' season wasn't what they were looking for, the guys' season went pretty well, even though they had some losses they would've rather not had to deal with.

"I would've changed a few losses. I wish we would never have lost to Sacred Heart,

Vestaburg, or Beal City," said *T.J. Good*.

Even though the team had to accept those losses, the second time they played Vestaburg they came through, beating them by ten.

"The game the night of the Snowball was the best game; we played Valley School. They had some eighth graders on their team, and handed us an easy win," said *Jason Stone-man*.
