*A Walk
In The Clouds.*

As you walked through the room you could hardly believe that it was the old gym; instead, it looked like you were in heaven. "The decorations were just great!" *Nicki Limbert* commented. "There weren't a lot of people at prom, but we still made it fun," *Megan Diffin* commented.

This year Katie Beck and Tyler Lake were voted prom king and queen. Katie Beck said, "When they started to announce King and Queen, Tyler and I went to get something to eat. Then I was named Queen. I was so shocked I just stood there. Next, it was time to announce King. Tyler

kept thinking, 'Gosh someone else is going to get it, and get to dance with her,' but then they called his name, too." Prom may not have been one of the biggest, but the music was loud and the food great and everyone had a good time.
