

Don't Leave

-Cassandra Richmond

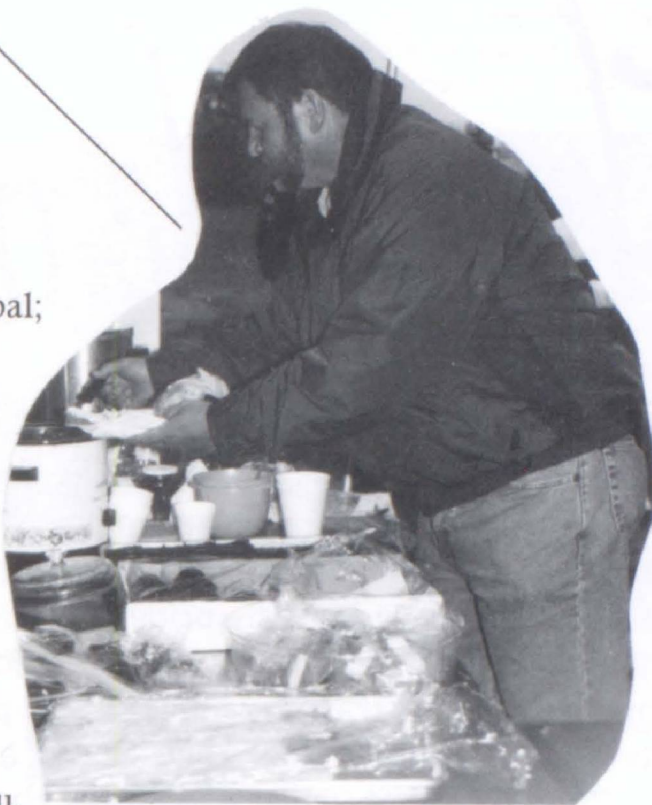

Mr. Gary Schestag,

You've been a teacher and a principal;
throughout your career,
now you say you're leaving us,
Oh no, oh dear.

What will we do?
What will we say?

When you're really not here,
for the upcoming school days.

School will not be the same,
so wait two more years,
because we're all going to miss you,
as we wipe away our tears.

Tribute to
Mr. Schestag
