

This year, the Journalism staff took on the huge task of producing the yearbook on computers. No more rubber cement and cutting pictures. Everything seemed to be going well with the computer, but of course, the start of production was delayed so the students could learn how to use the program. A lot of summer break time for a select few students was spent in the computer room finishing the yearbook.

IS IT DONE YET?? IS IT DONE YET??? No, not quite yet says **Adam Prescott** who takes out some frustration on **Ms. Brandee Brower**. Thankfully, no one was hurt in the making of this picture! (too badly at least)

THIS IS REALLY HARD WORK! **Katie Beck** ponders what to write for the story in one of her many spreads.

CHIPS ANYONE? **Ms. Brandee Brower** tries to pawn off some chips one day during Journalism.
