

# The Sound of Muzak

## SIZE DOESN'T MATTER

Although the Senior Band is VERY small this year, they can still kick out a great sound!

The Ashley Band Program, now under the direction of Mr. David Jenkinson, is doing great this year. The number of players is up, there is more enthusiasm, and there is much more talent running through the players this year. With the high number of players and all of that talent, the bands are sounding great!
