

HAPPY RETIREMENT! Mr. Gary Schestag and Mrs. Suzanne Baker take a final photo at the assembly we had to wish them farewell.

THE FIRST YEARS Right: Mrs. Suzanne Baker smiles for one of her first yearbook pictures as a teacher for the "Bear Tracks" Yearbook of 1972.

Suzanne Baker

The journalism staff would like to dedicate the 2003 "Bear Tracks" yearbook to **Mrs. Suzanne Baker** for her dedication and commitment to Ashley High School.

Mrs. Baker has given so much to Ashley High School. She started teaching English in 1970 and continued that for 32 years along with many other educational classes. Mrs. Baker taught our journalism class for 15 years and supervised the Student Council for seven years. She also helped out with extracurricular activities by coaching cheerleading from 1972 to 1978.

Mrs. Baker retired from Ashley after a fulfilling 32 years. She was a loved teacher and friend to many. Thank you, Mrs. Baker, for all that you have done. We love you!
