"Basketball season was fun this year. I think camp was a great bonding experience, and we learned how to motivate ourselves and our teammates," stated **Angela Strouse**, a first year varsity player.

This season for the Lady Bears was a bit shakey. They didn't end up winning as many games as they expected, although they fulfilled the teams goal. If the girls weren't winning they would be forced to compete against teams that they had lost to in the previous season.

"This season we did compete with a lot of 'big dogs' that we lost to last year. For example Beal City, Montabella, St. Louis and even teams like Ithaca," explained **Megan Diffin**.

The Lady Bears may not have looked like they proved themselves to the fans, but they showed the coach that they are a bunch of girl's who never give up!

THIS IS HOW IT IS **Coach Sourek** tells the girls what's going on during a timeout. "Coach Sourek had to call a lot of timeouts this year, because our numbers weren't great, and we had to take a break every once in a while." stated **Nikki Limbert**.
