This season the girls may not have had the best record, but they worked hard.

One week before the season started, the girls were introduced to a new coach, **Mr. Bill Cartwright**. He didn't go to camp with them, but he worked hard to learn about the players and their ability.

"**Coach Cartwright** tried hard. It was hard at first trying to run a new offense, when coach gave it to us. It was hard getting to know him too, and learning what he expected from us; but sooner or later we all began to understand each other." **Samantha Phillips**.

Amongst the girls on the team came some inexperienced new comers: **Jessica Campbell**,

Amber Sink, Katie Jordan, and Toni Long.

"It was my first time playing basketball on an actual team. It was difficult at first learning the plays and everything, but I ended up doing pretty well" said **Katie Jordan**.

The sophomores who returned were: **Samantha Phillips, Denise Cermak, and Kaylee Beck** becoming captains at the beginning of the season while in the end they were running practices.

"Running practices were hard, because they didn't really want to listen to us, but by the end they realized what we were saying was for the best," quoted **Denise Cermak**.
