Coach Cyndi Campbell

“Just learning, and improving!”

This year the seventh grade volleyball team had a new coach, a graduate of Ashley High School. This new coach was Cyndi Campbell with the assistance of Dianne Millage.

“This year was my first year playing volleyball. It was a lot of work but it was also really fun,” stated Kayla Beracy.

The team this year had to learn the basics and use them in the games. They a young, inexperienced team filled with sixth and seventh graders who were new to the game.

Brianna Koppleberger said, “I had watched my sister play volleyball before so I kind of new what I was doing, but I still had to learn how to do certain things the right way.”

This year’s season went well. Coaches and parents were very proud of the way that the team learned and played the game.
