Coach Dianne Surdock

“ I GOT IT!!!! ”

“This year’s season went well. We had more experience and our season record was better than fifty percent,” stated *Emily Mephram.*

The girls had a new coach this year, *Coach Dianne Surdock* with the assistance of *Cyndi Campbell.* These two coaches are sisters and worked very well together to teach both the eighth grade team and the seventh grade team the basics of the game.

“I had a lot of fun this year. I was the tallest one on the team and I almost blocked some spikes. It was really fun and I have never done it before,” exclaimed *Tiffany Russell.*

These girls will be entering the Junior Varsity sector of the sports section next year and are excited to learn more, along with having a lot of fun.
