

# Spirited Memories

"This cheerleading season was my last, because I was a senior. I just wanted to have a lot of fun, and focus on hanging with my friends and creating memories." commented **Annette Cermak**.

Memories of the sports this year was what cheerleading was all

about. Showing what school spirit really is about; being proud of your school and your team.

"It was fun hangin' out with the girls and cheering for the guys this year. **Kaylee** and I liked to screw around and just be ourselves." stated **Stephanie Beck**.
