

New Faces at Ashley

Here at Ashley we take pride in welcoming new students and faculty to our school. This year, we also had two student teachers grace us with their presence. We love to have new faces and different points of view introduced to this school. We'd all like to say "welcome" to all of the people that joined us this year, and whomever may come in the future.

ENGLISH MADE "INTERESTING"?

Not many people thought that it could happen, but Mr. Sherman found a way to make English classes at Ashley fun AND interesting.

WORKING HARD?

Curtis Pierce and *Jessica Campbell* get the "evil eye" from *Ms. Moore*. Playing games in class is a BAD thing!

IS THAT ROBIN WILLIAMS?

No, he's not Robin Williams, but he is just as funny. *Mr. Melville* has a great personality that everyone loves.

DIFFERENCE OF OPINION?

New students *Sarah Johnston* and *Andrew McBride* have a "brawl" before one of the quiz team matches. Staged fights are the best!
