Mardi Gras

Prom 2003

The Juniors did it again - they pulled off another successful prom at Ashley High School. Not only did they pull it off, they raised the bar and re-enacted the all famed Mardi Gras.

Unlike the usual prom, this one was di-

rected more toward having a "rockin" time than to buying the fanciest dress or outdoing others' outfits. It was all about having fun - and it was.

Ms. Jen Brown, the advisor for the junior class, had a great time on the memory trip back

to the past. "It reminded me of what life used to be like - not saying that I am old or anything," commented Ms. Brown. Ms. Brown would also like to thank all of the people that helped make prom possible - with a special thank you to Angie Turner.
