

Math & Science

Above: WHY DO I HAVE TO BE IN FRONT OF THE CLASS? *Josh Hunt* displays an example on the board for his Math 8 class.

Below, left: EEK! *Derek Schestag* does a little "modification" to his frog in Science Explorations.

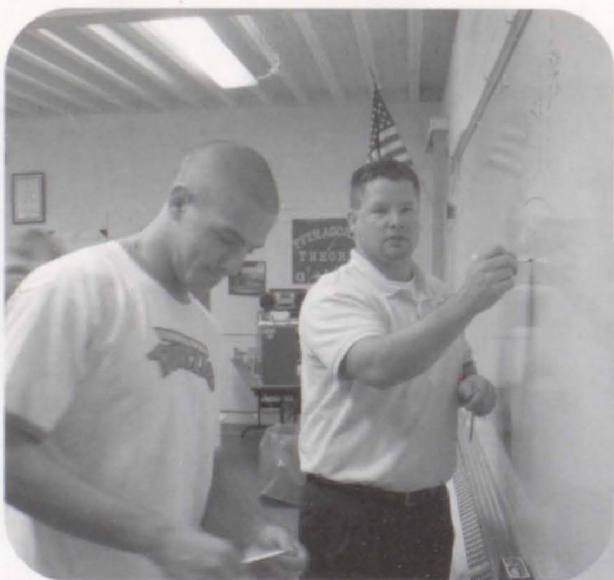

WAKE UP ... *Blake Prud'homme* "rests his head" in Algebra 1 during one of Mr. Grollimund's math discussions.

I HOPE I'M DOING THIS RIGHT ... *Keri Good* concentrates very hard while working on her assignment for Mr. Grollimund's Algebra 1 class.

GET IN THERE ! *Kari Worden* tries to capture a bug for her Explorations in Science class.

I DON'T THINK I UNDERSTAND ... *Mr. Brian Gavenda* and *Caleb Follet* work out a problem together during one of the Integrated Math classes.
