

I REALLY WISH I WERE AT HOME RIGHT NOW ... Sitting patiently and trying to daydream her way through yet another lesson with Mrs. Martinez is *Kari Worden*, a senior.

HAH, GLOBAL STUDIES ... *Kirill Shpakovski* stands his ground on some global issues. Mrs. Martinez learned her lesson - never talk about Belarus and expect to get away with it when talking to Kirill

WHAT'S THE CAPITAL? *Brandi Evans* and *Amber Adams* do a little reading on the capitals of some of the southern European nations.

WHY DID I SIGN UP FOR THIS? Drafting isn't always the most intellectually-stimulating class, as *Jessica Campbell* knows only too well.

HUH? *John Wilson* and *Zack Kimmel* zone out in Graphic Arts to a place where only the ring of the bell can bring them back.
