DUHURR ... *Tyler Densmore* tries to retain consciousness during a slow day in Mrs. Gearhart's room. Tyler cadeted for her for a semester this year.

WHEN DOES THIS CLASS END? Cadet *Dee Dee Simmons* is not amused by the students' antics in the class that she cadets for Ms. Brown.

Above: HERE, I'LL SHOW YOU ... *Kelsi Mizer* helps out an elementary student with his art project in Mrs. Gearhart's room.

Middle left: COME ON, YOU STUPID THING! *Amanda Lange* battles the copy machine into submission.

WHAT? Cadeting for the office gives *Nicole Gable* a lot of time to plot her next move in the world.

STOP USING ME FOR MY BRAIN! *T.J. Good* calls on *Justin Lindquist's* supreme intellect whenever he has a problem that he can't quite figure out, or when he's found something infantile for the two to laugh at.
