

Right: LADIES AND GENTLEMEN, THE BAND! Mr. David Jenkinson informs the crowd of what they're going to hear the band play for them the night of the school band concert.

Left: WOW THAT'S BIG! Adam Prescott plays the tuba (a.k.a. Bertha) for the Spring Band Concert.

FOCUS, FOCUS ... Michael Payne, Brandon Slavik, and Liz Brookhouse concentrate on getting it right.

HERE WE GO ... Randy Kirkpatrick gets ready to make an entrance in a song. He is the ONLY trumpet in the senior band, making his presence ever so important.

Above: NO, NO, LIKE THIS! Mr. David Jenkinson knows all too well that when it comes to Ashley's band that you sometimes just have to do it yourself to get it done right - or at least as demonstration.

Right: TOOTING HER OWN HORN ... Brandi Evans shows everyone just what she can do with that flute of hers during the school band concert held this year.
