

Class of 2005

WHAT'S THAT SAY? *Samantha Searles* and *DeeDee Simmons* read over a note while they wait for Mrs. Gearhart to get ready to start sociology class.

IT'S GOTTA BE IN HERE SOMEWHERE ... *Amanda Lange*, better known as *Judy*, searches through her purse for some extremely elusive lip gloss.

I CAN'T FIND ANYTHING ... *Jeffrey Stehlik* searches through his locker between classes.

I LOVE ART! In Mrs. Gearhart's art class, *Kaylee Beck* finishes up a project.

TIME TO GO TO CLASS ... *Jessica Tribble* and *Martina Mendoza* get ready to head off and learn something in their next class.

HMMM... During the first day class meetings, *Nikki Limbert* and *Stephanie Beck* ponder their existence. Class meetings are always a good time to do some soul searching.

HI MARY! *Angie Strouse* pays a visit to *Mary Gavenda* in the office. *Mary* is pretty busy, so make it quick, *Angie*!
