

Class of 2007

THIS IS SOME REALLY GOOD FOOD ... *Amber Ingersoll* and *Christy Boulis* converse during their lunch period. The talk is about the new and improved cafeteria food prepared by Geri Norberg, Darlene Evans, and Kim Kaufmann.

BEST FRIENDS FOREVER ... *Katie Beracy* and *Shana Pupava* are very close friends. If you see one of them, look around, because you'll be sure to see the other!

SHOULDN'T I BE DOING SOME WORK? *Paul Beck* plays around on one of Ms. Brown's computer during the hour that he's supposed to be cadeting.

VERY GOOD DOUGHNUT ... *Emily Mepham* is extremely enthused by the addition of long-johns to the a la carte. She's become quite the connoisseur.

JEESH, HE TALKS A LOT ... *Justin Elliott* sits patiently as he listens to Mr. Saylor drone on and on about the new school year during the 2003-2004 opening assembly.
