## Megan Ann Diffin

It's so hard to believe you're graduating! Those feelings we had the first day you climbed the bus steps are all rushing back. Now, it's time to share you with the world and what a great world it will be with you in it! We are very proud of you and your accomplishments. Always believe in yourself and follow your heart and you will go on to do great things. Remember, we're always here for you. Congratulations!

We love you, Tootsie!
