

Class of 2007

What's up • *Travis Yelsik* takes a break in Mrs. Burk's room.

Hot momma • *Richard Jolly* prances down the hall to his locker. It's probably time to powder his nose or something like that.

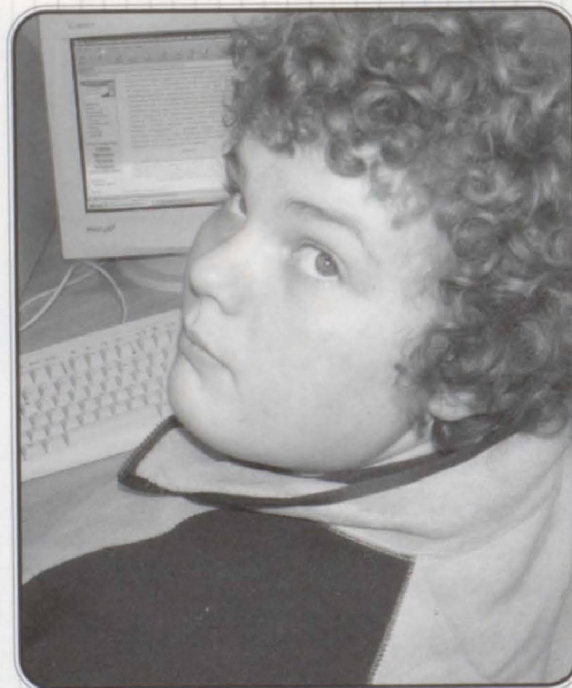

Gorgeous • *John Wilson* looks all too comfortable as a woman. Next time you get all fancied up, you might want to invest in a wig ... and watch our for Mr. Saylor with that skimpy spaghetti strap you got there.

Mmm ... plasticware • *Tyler Densmore* finds some very interesting things to keep him busy. What's next?

Class Sponsor:
Mr. Adrian Cervini

Get out! • As usual, *Paul Beck* would rather be surfing the net than doing his Computer Apps assignment.

Good times • *Amber Ingersoll* rides on her class float for Homecoming.
