

Class of 2008

Eh? • A somewhat delirious *Amber Good* hits the dance floor at the Snowball Dance.

Check this out • We don't know what *Liz Brookhouse* is attempting to do, but it is nice to know that people can still find interesting ways to have fun ... no matter what they look like doing it.

Bang! • Mr. Cordray's classroom must bring out the worst in people. *Josh Shaw* and *Justine Tribble* are having a great time playing around in the shop.

Catch me • *Mike Saylor* stumbles into the arms of *Troy Yelsik*. It's better to fall on Troy than on the huge pile of computers behind him.

Class Sponsor:
Mr. Kim Cordray

All geared up • *Trista Lake* dons a lovely AHS football ensemble. It doesn't seem worth it to be auctioned now, does it?

Down it • *Nic Cross* goes for the gold as he tries to find the candy in the bowl of ice cream for twerp week.
