

7th Grade Class of 2011

*"When they discover the center of the universe, a lot of people
will be disappointed to discover they are not it." -Bernard Bailey*

YUMMY!!

Seems we caught Dominick Salazar in mid-chew. Embarrassed much?

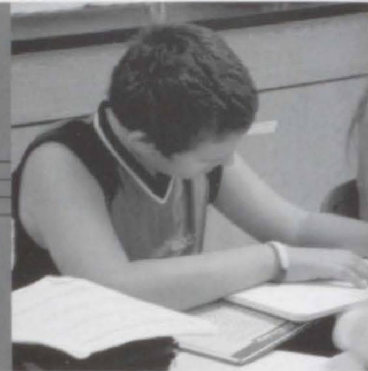

LITTLE HELPER?

Mrs. Gearhart needed lots of help getting all her stuff unpacked into the new art room this year. William Rocheleau is giving her all the help he can.

WHATS UP?

Delayni Boulis and Brandi Simmons stop in to get some lunch.

STUDY TIME!

Robert Gaudette looks a little swamped with work, shh we should leave him alone.

HEY EVERYONE!

Angel Wargo, Jared Spitzley, Melisa Lewis, and Scotlin Polash socialize in what looks like a very busy Science room.
