

# JUNIOR HIGH FOOTBALL

Quarterback Kolton Stoneman runs the quarterback keeper around the edge. Kolton had more success on the ground than he did throwing the ball. The Bears got off to a fast start as they won 3 out of the first 4 games. But they ended it on a sour note as they lost their last three games. The 8th graders will now move up to Varsity next year and hope to gain some experience because they are key to the future of the Ashley Bears football program.

## THE UPCOMING TALENT

You can't guard this son. Tight end Brandon Shaw goes out for a pass. Brandon was one of their leading receivers and he provided a safety blanket for quarterback Kolton Stoneman.

## GIMME THAT...

I love you!  
John Gordon and Thomas Fabus hug and collide into each other as they tackle each other instead of the ball carrier.

## BRING IT IN!

The Bears huddle up as they receive the play. This game was against St. Johns and they played under the lights.
