

AND THE CROWD GOES
WILD!

VARSITY GIRLS' BASKETBALL

There was another fresh team this year for the Varsity, including a new coach, Bill Cartwright. He's an excellent coach who helped to improve the basketball program. Liz Brookhouse, Amber Good, Amanda Walter, and Trista Lake were brought up and made a huge difference in the offense. Katie Beracy was a major part of the defense along with Barbara Gall who received Honorable Mention All Conference. The Senior Captains, Katie Jordan, Keri Good, and Erin Koppleberger, led the team both on and off the court. Keri and Erin also received Honorable Mention All Conference. Barbara led on the defensive side with rebounds, while Erin led the offense in points. Next year's returners will be leading a new team to more victories, with new goals and more improvements.

SHE GOES FOR TWO!
AMANDA WALTER DRIVES IN FOR A BASKET DURING A CLOSE GAME WITH MONTABELLA. WITH AMANDA'S QUICKNESS AND AGGRESSIVENESS, SHE WAS AN EXCELLENT POINT GAURD FOR THE BEARS' THIS SEASON.

A Rough Season has its Rewards

The 2005 Varsity Girls' Basketball team knows that they have made a lot of improvement. The scores don't always show everything. Last year the team won against Vestaburg at home. It was an exciting game for the girls they had been waiting for. This year the girls came out strong and aggressive as they went on to beat NBW in a close game. The first match up against Vestaburg was close as well but the bears pulled ahead and took the win. When Ashley went to Vestaburg they played hard the entire time and didn't give up. It got to be a close game and Keri Good hit the game winning three pointer with 40 seconds don't go. Even though the records don't show so much, the team will always know that they did improve and things did change.
