

# HOMECOMING

A week of fun followed by ...  
... "An Evening in Vegas!"

## So serious...

Michael Saylor stands on the football float with an intense look

## Taking a break

Elizabeth Brookhouse sits on her class float but only for a second before she has to go back to the parade line-up.

## The "look"

Getting her hair done nice and pretty, Amber Good sits patiently while her classmates give her a "make over."

## Whistle whistle

Kayla Beracy plays her flute well and keeps the beat as she marches in the homecoming parade.

## Ready to go

The varsity football team gets into position on the float and waits for the parade to begin.
