End of an Era

As the 2005-2006 school year came to a close, two well known teachers left our school after many dedicated years. Physical Education and Science teacher, Mr. Bruce Andersen and First Grade teacher, Mrs. Nancy Arnst have both retired and left their teaching days behind them.

In 1968 Mrs. Arnst was hired and two short years later, her brother, Mr. Andersen joined the staff.

Together, they have nearly 75 years of teaching experience under their belts. They both have touched the lives of many people over many generations. We wish them both an enjoyable and relaxing retirement! You will be missed.

TOUGH GUY...

Mr. Bruce Andersen was always known as the teacher that you didn't want to mess with. He's tough on the outside, but it's only because he cares and has a big heart.

SO SWEET AND INNOCENT...

ALWAYS HELPFUL

Mrs. Arnst is seen helping one of her first graders. She was always dedicated to her students.
