$C_6H_{12}O_6$ +... What?!

Matthew Schumann tries to pay close attention and not get distracted by the camera during science.

The answer is either a, b, c, or d.

Jaclyn Cartwright sits quietly at her table trying to be the first to answer the question.

Look at them hard at work.

Kolton Stoneman, Paige Luft, and Mitchell Cordray work hard on their homework in *Mr. Larsen's* class.
