### BUT THIS IS NORMAL...

Student Council Adviser, *Marilyn Gearhart*, is definitely enjoying herself during the Homecoming relays. This year *Mrs. Gearhart* and *Mrs. West* took over the tough job of Student Council Advisers. It took a lot of hard work and preparation, and there's room for improvement, but they made it one of the best years in a while.

### THE FEARLESS LEADERS...

### IT'S CALLED "COLD FEET."

During a Homecoming relay, *Grace Zimmerman, Jake Oswald, and Randy Kirkpatrick* hunt through a bucket of ice with their bare feet to try to find the marble. This was one of the many new games that were played during this year's relay events. The sophomore class took the top prize for Homecoming and the junior class won Snowball week.
