

5TH GRADE

LOOK AT THOSE KIDS WORK

(Top) *Kali Steffen* starts her work and seems to be very drawn to it. (Left) *Cole Farrier* works hard as well as the rest of the class during work time. Studying hard for a big test (bottom) *Cody Wedel* is hard at work.

CHECK THAT OUT!

(Top) *Brig O'Dell* and *Genna Belongia* work together to fix a problem. (Top right) *Channing Watson* tries to figure out which color to use for her "drawinging."

LISTEN CAREFULLY

(Top) *Megan Seifert* is in deep concentration. (Right) *Megan Reed* doesn't pay attention to anything else in class but her own work, Kudos!
