

# 6TH GRADE

The sixth grade is a very unusual class. They are the quiet ones when they want to be, but watch out, they can get hyper very easily and over almost nothing.

## WORK SAFELY!!

(Far left) *Garrett Hogsett* and (left) *William Shaw* work on their science experiment with the ph paper  
 (Above top) *John Berlin* stares into space, or maybe he's learning  
 (Above) *Alysha Murdock* listens carefully to what the teacher has to say.
