

We're awesome...
Angel Williams and Shana Pupava pose for the camera at a basketball game.

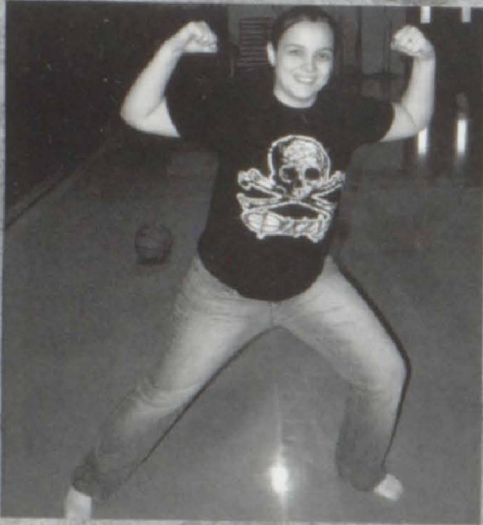

Truthfully, does this look good on me??

Troy Yelsik tries a new look at a volleyball game.

Fun Times at AHS

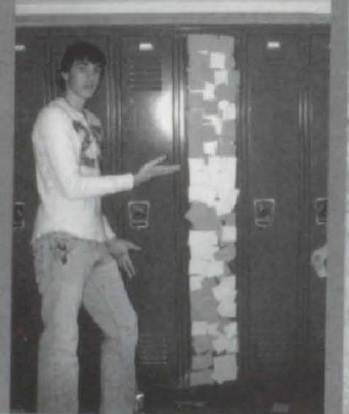

Look at my guns...
Shana Pupava takes a break from class to come out in the hall and flex her muscles.

(Bottom): Look at us, we're Seniors... *Daniel Walter and Katie Beracy* sit and watch the basketball game, telling everyone who walks by that they are the mighty "Seniors."

(Bottom): Who goes to class these days... *Trista Lake, Troy Yelsik, and Josh Shaw* the infamous Juniors making their little escape to the bench during Seminar.

(Top): Look at what I did... *Josh Shaw* generously decides to spiff up fellow classmate *Trista Lake's* locker. It's amazing what great brains and Post-it Notes can accomplish. Such a great friend!

(Top): What do you think?...
Courtney Haynes desperately wants to know if this look is in or not. Sorry Courtney, but I think you might want to try another approach.
