## Dale Yelsik

What defines a true fan? Some may say a true fan is a person who stands by their team through every win and every loss; a person who wears their team's colors with pride and class no matter what the situation; or a person who has devoted unsurmountable time and dedication to helping the Athletic Program. Within Dale Yelsik you will find all these qualities.

Faithfully for about 20 years Dale Yelsik has been running the scoreboard as well as announcing for the Junior Varsity and Varsity basketball and football games. For 20 years he has cheered on Ashley High School in every game. Reliably and quite eloquently, Dale Yelsik has had pride and loyalty in the entire AHS Athletic Program.

Not only has Dale's involvement in the athletic program proven to be unconditional, but he has been inspiring as well. His dedication and commitment is something that all the athletes can learn from.

It's no doubt that sometimes Ashley Athletics struggle through seasons. To have faith in every athlete, every coach, and every game is not often not an easy thing to do. Nevertheless it is something Dale has never thought twice about. For his commitment, faith, and pride in Ashley High School Athletics we dedicate the 2006-2007 yearbook to Dale Yelsik.
