

Dear Brianna,

Eighteen years have passed by so quickly, and we've enjoyed them all. It's hard to believe that you'll be graduating soon and heading off to college.

It has been quite a journey - watching a shy little girl grow up into a fine young lady. You've worked hard throughout the years and should be very proud of your accomplishments - we are.

We're going to miss you when you leave for L.S.S.U. this fall. You'll have new opportunities waiting for you - make the most of them! Follow your dreams, study hard, and keep the faith.

We're proud of you and love you very much! Love, Dad, Mom, and Erin
