

Math

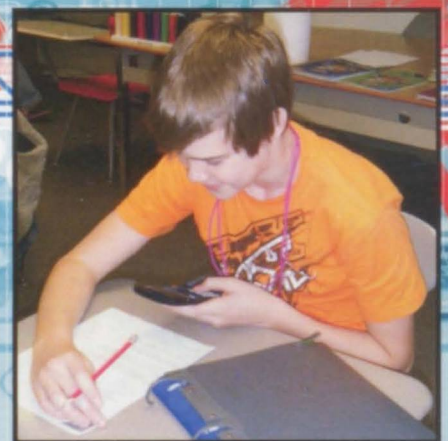

USING TIME WISELY *Katie Fabus* works very hard at getting her Algebra done while *Danyelle Hardman* and *Dustin Harris* sit there doing nothing.

HOLD IT STEADY *Mr. Dunning* shows *Cole Farrier* how he needs to hold the carpenter square to measure the flag pole.

PAY ATTENTION! *Paul Mau* stops listening to *Mr. Dunning* to hide from the camera.

2+2=5? *Nicholas Sperling* uses the calculator to get his math work done quicker.

SEE...MATH IS FUN! *Mr. Dunning, Jenna Gross, Klayton Kremer, and Casey Cordray* work together to try to find the geometric mean of the flag pole.
