

**\*DRUM MAJOR\*** *Kyla Edgar* practices conducting the band during band camp. This was her last year as Drum Major and she practiced a lot and helped make the band a success.

**\*BUSTED\*** Percussionists *Zach Schmidt, Jacob Schmidt, Casey Cordray, and D.J. Keller* are busted taking a break. After a hard day of marching to the nursing home they set their drums down and relax.

**\*TWIRL IT\*** *Cassidy LaFleur* shows off her skills spinning her flag at the nursing home. She and the other color guard members worked hard on their routine all summer and it showed.

**\*CONCENTRATION\*** *Weston Smith* concentrates only on what he is doing instead of the director. He was at band camp learning a new song for the show!
