

Science

DON'T LOOK *Cameron Alvarez* and *Corey Turner* act like the camera isn't there but still smile anyway. "I really liked learning about evolution in biology."- *Cameron Alvarez*

FOCUS.... *Zach Blackburn* is paying close attention to the lesson he is learning. Science isn't always so easy.

RELAXED LEARNING *Kelsey Smith* is smiling for a quick picture. She was always ready to learn something new.

ANIMAL SCIENCE The 5th and 6th graders are learning about different species of animals. Many cool and exciting animals were brought in along with the presentation.
