

Math

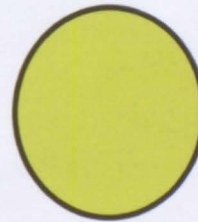

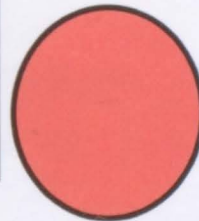

TAKING A BREAK *Lukas Andersen* takes a quick break from his homework to have a little fun. "I like working with shapes the most."- *Lukas Andersen*

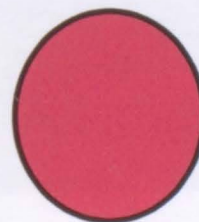

WHAT'S SO INTERESTING? *Gary Andrews* is having a fun in math while talking about something funny. "I like when we play chess in math and have fun."- *Gary Andrews*

DON'T MESS UP *Kaleb Bradley* is trying to stay focused while getting his picture taken. That's a lot of pressure!

WE DID IT *Casey Cordray* and *Nicholas Plotnick* smile with their homework. They must have done something right.
