

# Student Leadership

**\*Who wants a Hug?\*** *Klayton Kremer* takes *Megan Reed* by surprise giving her and *Cassidy LaFleur* a big hug. Looks like they were enjoying themselves in Student Leadership. *Cassidy LaFleur* said "I was thinking, 'Oh My Gosh! He is hurting my leg. It feels like a bee sting!'"

**\*Smile!\*** *Sara Akirmak* gets a picture taken with her mermaid while decorating the halls at the Nursing Home. They worked hard for two weeks on making decorations for before they went to visit the Nursing Home.

**\*Aloha!\*** *Mrs. Bishop* and the Student Leadership class discuss decorations to make for the Ashley Nursing Home with a Hawaiian theme. *Mrs. Bishop* told us, "The students enjoy working on art projects for the Nursing home instead of doing writing projects."
