

THE END!
 The seniors toss their caps in pure joy. This is something they have been looking forward to for a long time.

HERE WE ARE!
 Graduation started with **Cassidy LaFleur** giving an opening speech. Her speech was short and to the point. At the end she said, "Lets get this rolling, I do not think my mom can keep it together much longer."

***LIFE LESSONS* Josi Denman** gave the salutatorian speech. In her speech she read a story that asked three questions. When is the best time to do things? Who is the most important one? What is the right thing to do?

***TIME FLEW* Kelsey Smith** gave the valedictorian speech. She started her speech saying, "It seems like just a few years ago we were little kids. And just a few days ago we were freshman." Time went by very fast.

***NEW BEGINNING* Kyla Edgar** gave the closing speech. It is time for Class of 2014 to go on their own and pursue whatever they may be doing with their life.
