## Kali Steffen

*Kali,*

*You have been the sunshine in my life since the day you were born. From your first day of kindergarten, to being chosen prom queen has brought me nothing but joy and happiness. It has been one tough year for you, but you have made it through with flying colors. I am so proud of your accomplishments and know you will go forward and succeed in whatever you do.*

*"You're My Sugar Pie Honey Bunch"*

*Grandma  
(Steffen)*

*Class of  
2014*
