

Class skippers **Sierra Belongia** and **Emma Kremer** get out of class to have some fun in Miss Francis's room.

Open wide In seventh grade science **Miss Francis** squirts water into **Sierra Belongia's** mouth from across the room during one of her science experiments.

Going green **Madison Howe**, **Gabe Saylor**, **Nathan Denman**, and **Kyle Malek** are very excited to plant and grow their plants in the new greenhouse for the very first time.

Putty time **Brennen Felton**, **Kenzie Jelinek**, and **Amber Hagerman** are enjoying their time playing with putty while they create their science experiment. It was a break from reading out of their text book.
