Easy Does It *Emily Fabus* tries to be very careful with the chemicals so she does not get any on her skin.

Team Work The chemistry class works with Mrs. Jason to try and make a bouncy ball.

It's a Success *Haley Rocheleau* and *Michaela Zamarron* work together to create a flame.

Hard at Work The Chemistry class is hard at work while making bouncy balls.

"If we knew what it was we were doing, it would not be called research, would it?"
- Albert Einstein

Safety First The seniors working hard to make sure the lab goes as planned and nobody gets hurt!
