

# THE SPIRIT OF COMING HOME

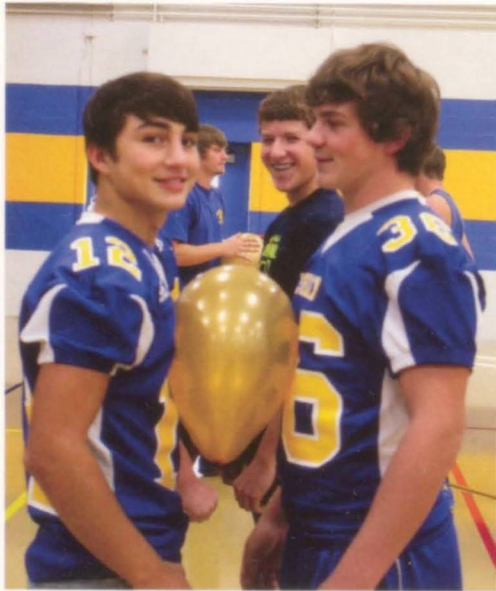

## \*King and Queen\*

*Khloe Kremer and Bailey Felton* have their first dance as King and Queen. "We kept spinning and spinning because I didn't want a picture taken and when I thought it was safe someone snuck a picture in.", says *Khloe*.

## \*Pop it Like it's Hot\*

*Cameron Alvarez and Colton Swanchara* try to pop a balloon with their bodies. Two players from each grade had to do this.

## \*The Reps\*

*Jaden Gavenda and Karlie Howe* pose in front of their ride for the parade. They were the freshmen reps for Homecoming.

*"As the truth gets told, Homecoming never gets old."*

\*Time to Win\* The senior class looks determined to win while waiting for the game to start.
