

More than organizations

A variety of clubs and organizations are available for Ashley students to join every school year. The 2017-2018 school year was a year full of memorable moments and important milestones for Ashley students. This year middle school student council was revived. The language arts team won first place in the Mid State Athletic Conference. Quiz Bowl and Model UN teams competed at several challenging meets. The high school band earned straight 1's at Band Festival. NHS inducted four new members, held two blood drives and completed a beautification project. High school student council worked tirelessly to put on spirit weeks full of themed days and friendly competitions between the grades while also organizing fundraisers such as Crush soda sales and spirit chains. Above the Influence put on small events for the younger students as well as a large, school wide event to promote making good choices. The student leaders and group members truly strive to better the social experiences at Ashley for everyone with a communal effort that can only be described as more than words can say.

Come Together

Ashley students work together to achieve big things. The band worked hard and received a one at festival this year! Above the Influence worked hard to put on a half time show at the boy's basketball game.

Hard Work Pays Off

The Above the Influence group bonds with the middle schoolers and paints posters to hang in the gym for the halftime show during the Above the Influence night.
