The Ashley Marching Band marches in the 2017 homecoming parade down Main Street as Mr. Cervini guides them in playing "White Stripes" and the fight song. The marching band works hard in the summer for a week before school starts to prepare for the upcoming football season and practice their entire marching show.

*How do you feel knowing that it's your last high school year of playing music?*

"Leaving the Ashley Band program is as difficult as leaving a family. I have some comfort in the fact that my music career is not over and will continue into my adult life."

**Karah Brown, 12th Grade**

*Why do you like band?*

"I like band because you can enjoy yourself while talking to friends and playing music. Playing music is something I enjoy, it soothes me and calms me down. I also like band because Mr. Cervini is pretty cool. He understands kids and he also makes it really enjoyable for students too."

**Jenna Wirt, 8th Grade**

1. Isabele, Christian, and Logan play a song during halftime.

2. Mr. Cervini conducts his band students during their pregame performance of the national anthem.

3. James Wittchell waits for Mr. Cervini's command to put instruments up.
