

# A Whitewater Rafting Adventure

Right: Ms. Stevenson, Mrs. Goward, Mateo Alvarez, Mr. Peasley, and Mrs. Jason take a selfie before their whitewater rafting adventure.

Far Right: Freshmen Josh Lewis and Mateo Alvarez enjoy cooling off on the bumper boats

On Friday, May 18th, the high schools students who worked hard all year were invited to attend the annual reward trip. This year the students and staff traveled to Big Bear Adventures to go whitewater rafting on the Indian River. While their, students were able to also play putt-putt, bumper boats, and try out the ropes course. As always, the trip ended with a stop at DQ for some well deserved ice cream.
